# Chains Of Love

## Kreesha Turner

Gonna break these chains of love
Gonna take my heart and run
Moving on, moving up
I'm gonna show you how it's done
Bet you thought you could keep me down
I was tired, I was bound and it's me that I found
Ooh
Gonna break these chains of love
Gonna break these chains of love
All of my life I've been locked up
In these chains of love
Gonna break these chains of love
Gonna take my heart and run
Moving on, moving up
I'm gonna show you how it's done
Bet you thought you could keep me down
I was tired, I was bound and it's me that I found
Ooh
Gonna break these chains of love
Gonna break these chains of love
All of my life I've been locked up
In these chains of love
Gonna try, gonna try, gonna try to pull me down
My head, my head, gonna stand my ground
Gonna try, gonna try, gonna try to pull me down
Gonna stand, gonna stand, gonna stand on solid ground
Gonna try, gonna try, gonna try to pull me down
My head, my head, my head, gonna stand my grown
Gonna try, gonna try, gonna try to pull me down
Gonna stand, gonna stand, gonna stand on solid ground
Bet you thought you could keep me down
I was tired, I was bound and it's me that I found
Gonna break these chains of love
Gonna break these chains of love
All of my life I've been locked
All of my life I've been locked up
All of my life I've been locked up
In these chains of love
Moving, gonna break these chains of love
