Moving Alone

Lukas Graham

I was still in my teens
The biggest man in my life went and shattered my dreams
How could you do it to mum?I swore back then I wouldn't be like you
And it hurt like hell you didn't tell us the truth
How could you do it to mum?I don't even know if you know that you hurt us
From all I understand it seems like you just don't care
Now I'm walking alone with this burden
A burden to bear that can never belong to meI'm just a chip off the block
Never too far from you
Tell me, daddy, what to do?
Tell me is it destiny to start fooling around
And keep fooling around
Did you know that I knew, knew about her and you?
And I felt so confused
I even considered to tell mummy the truth
Tell mummy the truth,
Tell mummy the truth,
Tell mummy the truth,
Tell mummy the truthBut I'm just like him
And now the circle starts over,
Starts over again
I realize the story's not over at all
I thought the cheating would have ended with him
But now I'm cheating,
Now I'm cheating on my own girlfriend
Truth be told,
It's not like you weren't special at all
She doesn't even know if I know that I hurt her
From all she understands it seems like I just don't care
Now I'm walking alone with my burden
A burden I bear now because it belongs to meI'm just a chip off the block
Never too far from you
Tell me, daddy, what to do?
Tell me is it destiny to start fooling around
And keep fooling aroundDid you know that I knew, knew about her and you?
And I felt so confused
I even considered to tell mummy the truth
Tell mummy the truth,
Tell mummy the truth,

Tell mummy the truth,
Tell mummy the truthEverybody's walking alone
Everybody's walking alone
Everybody's walking alone
I said
Everybody's walking alone
Everybody's walking alone
I know that everybody's walking aloneI'm just a chip off the block
Never too far from you
Tell me, daddy, what to do?
Tell me is it destiny to start fooling around
And keep fooling aroundDid you know that I knew, knew about her and you?
And I felt so confused
I even considered to tell mommy the truth,
Tell mommy the truth,
Tell mommy the truth,
Tell mommy the truth
