Nobody Move

Hanni El Khatib

I ain't going back where came from
they're treated like alright where i came from
with the money in the pocket put the bag down
and don't get out of here
any time to be a hero
any time to act up
nobody gonna hold me there
so please chut upNobody moves and nobody gets hurtI ain't going back where came from
they're treated like trash where i came from
with the lap In the street and i feel good
now my vision is clear
i just need a little soft in
to get back upon my feet
and if it's no more well
got nothing in
Nobody moves and nobody gets hurt
