Secrets

Jack + Eliza

Why don't you tell her
All of your secrets
(Now...)
Your unsubtle whisper
(Now...)
Oh, it's the only sound you hearWhy don't you tell her
You really mean it
(Now...)
You think you're funny
(Now..)
Well look who's laughing nowOh I know I was
I know I wasWhy don't you tell her
All of your secrets
(Now...)
Remember the time when
(Now...)
Oh oh oh nevermind!Why don't you tell her
You really mean it
(Now...)
I'm under the moon with
(Now...)
Another one on oneOh I know I was
I know I wasI know you won't but I will
I don't know you but I willI know I was (x4)
