I Ain't Runnin Yet

Gary Allan

I've come to see it's a pattern with me
To make a fast getaway
Every time I get a little too near to love
Somebody gets too closeThe next thing I know
I'm up and gone again
Chasin' the wind
And the distant stars aboveAh girl
But I don't know what's been goin' on
Since the night we met
All I know is, I ain't runnin' yetGirl, I can see when you look at me
You're lookin' for a sign
That somewhere in this heart of mine
There's a place for youBut I want you to know
When those feelings show
That's what chases me away
But tonight, I just gotta stay and see this throughAh girl
But I don't know what's been goin' on
Since the night we met
All I know is, I ain't runnin' yetI ain't runnin' away from the love I see so deep in your eyes
I ain't runnin' away and I can't even say just why
Oh, I don't know what's been going on since the night we met
All I know is I ain't runnin' yetI ain't runnin' away from the love, I see so deep in your eyes
I ain't runnin' away and I can't even say just why
Oh, I don't know what's been going on since the night we met
All I know is, I ain't runnin' yetGirl
I don't know what's been goin' on
Since the night we met
All I know is, I ain't runnin' yet
