

Hate 2 Luv U

3lw

It was the wrong day, the wrong month, the wrong year

I wasn't ready for all the pain and all the tears

Baby, you crushed me, now I have to deal

In the worst fears, you had to go and take it there

Now, I'm all alone

Knew I should have took my ass home

Times when you were putting it on me

You were putting it on me

I just hate you for it

Hate you for making me fall in love

And there's nothing I can do about it

So blue about, don't wanna be in love

I just hate you for it

Hate you for making me fall in love

And there's nothing I can do about it

So blue about, don't wanna be in love

Thought I could change you

And turn you into a good man

Thought my love was bond

And things were going as I planned

But what a fool I was

You was still hitting your ex-girlfriend

I had to be out you understand

Now, I'm all alone

Knew I should have took my ass home

Times when you were putting it on me

You were putting it on me

I just hate you for it

Hate you for making me fall in love

And there's nothing I can do about it

So blue about, don't wanna be in love

I just hate you for it

Hate you for making me fall in love

And there's nothing I can do about it

So blue about, don't wanna be in love

Wish that

(Wish that things were different)

Wish that things were different

(That you would love me the way that I love you)

The way that I love you

(Can?t believe you hurt me, babe)

Can?t believe

(And do me this way)

(I hate to love you can?t let go)

Now I'm all alone

Knew I should have took my ass home

Times when you were putting it on me

You were putting it on me

I just hate you for it

Hate you for making me fall in love

And there's nothing I can do about it

So blue about, don?t wanna be in love

I just hate you for it

Hate you for making me fall in love

And there's nothing I can do about it

So blue about, don?t wanna be in love

I just hate you for it

Hate you for making me fall in love

And there's nothing I can do about it

So blue about, don?t wanna be in love

I just hate you for it

Fall in love, do about it

So blue about, don?t wanna be in love

I just hate you for it

Hate you for making me fall in love

And there's nothing I can do about it

So blue about, don?t wanna be in love
