

# Big Pat's Warehouse (Skit)

## Three 6 Mafia

It used to be an old convenience store  
bored up for about 10 years  
when i seen it i knew it was as good as gold  
built it up from nothing  
most motherfuckas cant do what i did  
do you know whats wrong with average motherfucka?  
Is that they fail to see the big picture  
All they want to do is ride around in a fancy car, buy some expensive jewelry  
or show off a big bank roll to impress some bitch  
But thats the shawt chesseSecurity Guard  
The shawt cheese
