Ravenheart (Orchestra version)

Xandria

Come to me, Ravenheart
Messenger of evilYou shadow of forgotten dreams
You come to take away
My hope on your black wingsCome and come to me, Ravenheart
Messenger of evil
Come to me. What's the news?
Here I'm still left lonelyOf love & hate the singers tell
But I feel more, more of both,
More than heaven & hell
I take a bow to destiny
Now I have really learnt my part
Once loving him, now hating love
I've made mistakes, my RavenheartSo come and come to me, Ravenheart
Messenger of evil
Come to me. What's the news?
Here I'm still left lonelyWill I get back who I adore?
Thus spoke the raven: nevermoreSo come and come to me, Ravenheart
Messenger of evil
Come to me. What's the news?
Here I'm still left lonelyCome to me [come to me], Ravenheart [Ravenheart]
Messenger of evil [Messenger of evil]
Come to me [come to me]. What's the news? [What's the news?]
Here I'm still left lonely
