

# Barricade

Maddi Jane

I know it's hard, I feel it too  
so don't bother faking  
It doesn't matter what troubles you  
I will help you take it  
Here from the rain, I shelter you  
'Till the storm is ended  
Fired as arrows, words untrue  
But I defend this Pitiful, you're so beautiful  
and the line unfall on me  
fall on me Before the battle begins  
and until it's through  
I'm like a barricade in between anything and you  
So how matter how far but  
whatever it takes you will make it through the day  
I'm your barricade Before the battle begins  
and until it's through  
I'm like a barricade in between anything and you  
So how matter how far but  
whatever it takes you will make it through the day  
I'm your baricade Love is too real for a fairytale  
soon over after  
Time is a healer, but I won't fail  
to be with you faster Miss Pitiful, you're so beautiful  
and the line unfall on me  
unfall on me ... Before the battle begins  
and until it's through  
I'm like a barricade in between anything and you  
So how matter how far but  
whatever it takes you will make it through the day I'm your baricade  
I-I-I'm your Barricade  
I-I-I'm your Barricade  
Barricade ..  
I-I-I will be your Barricade  
I'm your Barricade  
As the bombs drop you won't feel a thing  
I can take it, you will make it through the day  
I will be your Barricade  
I will be your Barricade  
I will be your Barricade Before the battle begins

and until it's through  
I'm like a barricade in between anything and you  
So how matter how far but  
whatever it takes you will make it through the day I'm your baricade ...I-I-I'm your Barricade  
I-I-I'm your Barricade  
Barricade ..  
I-I-I will be your Barricade  
I'm your Barricade
