

Barricade

Maddi Jane

I know it's hard, I feel it too
so don't bother faking
It doesn't matter what troubles you
I will help you take it
Here from the rain, I shelter you
'Till the storm is ended
Fired as arrows, words untrue
But I defend this Pitiful, you're so beautiful
and the line unfall on me
fall on me Before the battle begins
and until it's through
I'm like a barricade in between anything and you
So how matter how far but
whatever it takes you will make it through the day
I'm your barricade Before the battle begins
and until it's through
I'm like a barricade in between anything and you
So how matter how far but
whatever it takes you will make it through the day
I'm your baricade Love is too real for a fairytale
soon over after
Time is a healer, but I won't fail
to be with you faster Miss Pitiful, you're so beautiful
and the line unfall on me
unfall on me ... Before the battle begins
and until it's through
I'm like a barricade in between anything and you
So how matter how far but
whatever it takes you will make it through the day I'm your baricade
I-I-I'm your Barricade
I-I-I'm your Barricade
Barricade ..
I-I-I will be your Barricade
I'm your Barricade
As the bombs drop you won't feel a thing
I can take it, you will make it through the day
I will be your Barricade
I will be your Barricade
I will be your Barricade Before the battle begins

and until it's through
I'm like a barricade in between anything and you
So how matter how far but
whatever it takes you will make it through the day I'm your baricade ...I-I-I'm your Barricade
I-I-I'm your Barricade
Barricade ..
I-I-I will be your Barricade
I'm your Barricade
