

Welcome To Planet Motherfucker - Psychoholic Slag

White Zombie

Woven in the surface a premonition of a land
Erupting a sparkling occasion of a city crashdown!
Overhead revolvin' in a whirlpool a drag-o-rama walk'n on the sidewalk
So let me see ya howl'n through the keyhole"god damn,
Swept away" she shouted, she love it, getin away yeah!I concentrate the midnight without the benefit of
ceremony, whoever said,
"The one who strips your soul is the one that got away"
A weather-beaten angel descending to embrace the cemetery,
Got love, so mystifying "god damn, swept away" she shouted, she love it, get in away yeah!She shouted, she
love it, get in away, yeah!
Voodoo beat on the mind the digs too deep to find something has got to give,
Man (psych-out) racketeer or star you are just what you are, don't play the misty, baby!
(Get you) into a river sky electro nation cry "I need another, now"
Drift beyond the sleeping the moon is shiftin' shadows on her figure,
Swamptime locomotion "I can't take it, anymore!"Sunlight through the shutters illuminating moment to the
moment buzz a halo over
"Goddamn, swept away" she shouted, she love it, get in away, yeah,
Planet pretty kill, motherfucker hang me on the thrills,
Psychoholic slag tomorrow is another drag[yeah] picnic in the homeland,
Like a Jesus super-star yeah! kiss me deadly, baby (baby)
I know who you are (come on) planet pretty kill,
Motherfucker hang me on the thrills yeah! no small heaven (haven)
