

# Suddenly... (i Miss Carpaty)

## Gogol Bordello

Suddenly door opened just a crack  
A hand reached out and ordered me to duck  
Took me to a Sturm and Drang banquet  
Where Rismsky and Korsakov they met  
On the Sturm and Drang banquet  
Where Kunitzky popal pod zapret  
A stambuljanskij k Rudiku v Kismet  
Still I miss Carpaty  
Miss Carpaty, miss Carpaty  
Sojuzivka is the best  
But I still miss Carpaty
