You are my only
Little one
Sweet love
For you a lullabye
Little one
My loveClose your eyes
Sleep tight tonight
And dream my dearRest your head
The sun will rise
And I'll be hereYou are my only
Little one
Sweet love
For you a lullabye
Little one
My loveClose your eyes
Sleep tight tonight
And dream my dearRest your head
The sun will rise
And I'll be hereClose your eyes
Sleep tight tonight
And dream my dearRest your head
The sun will rise
And I'll be here
