What She Said

The Smiths

What she said, "How come Someone hasn't noticed that I'm dead And decided to bury me? God knows, I'm ready"What she said was sad But then, all the rejection she's had To pretend to be happy Could only be idiocyWhat she said was not for the job Or lover that she never had No, no, no, no, noWhat she read, all heady books She'd sit and prophesies It took a tattooed boy from Birkenhead To really, really open her eyesWhat she read, all heady books She'd sit and prophesies It took a tattooed boy from Birkenhead To really, really open her eyesWhat she said, "I smoke Because I'm hoping for an early death And I need to cling to something"What she said, "I smoke Because I'm hoping for an early death And I need to cling to something" No, no, no, no, no
