

# Unconditional Love (feat. Phyllisia)

## Jah Cure

You never see it coming  
and the next thing you know  
unconditional love  
unconditional love  
she aint lookin for no diamonds  
and digging for no gold  
just somebody to love  
unconditional love  
woahFirst of january  
said you startin over  
your hearts been in remission  
makin a new beginning  
and its been six months since you got sober  
taking a new position  
to make a better decisionThen you head to the corner store  
and forget what you went for  
just as soon as he says hello.. hello..You never see it coming then the next thing you know unconditional love  
unconditional love  
she aint lookin for no diamonds  
and digging for no gold  
just somebody to love  
unconditional love  
woahYou never see it coming  
and the next thing you know  
unconditional love  
unconditional love  
she aint looking for no diamonds  
and digging for no gold  
just somebody to love  
unconditional love  
woahThe fourteenth of February  
got a cold shoulder  
from someone so unexpected  
you left your heart unprotected  
yeah  
then you built a china wall  
guard it like a soldier  
people would call your phone  
you act like nobodys homeAnd I went to the corner store

and I forgot what i went for  
just as soon as you said hello  
hellloooI never saw it coming  
and the next thing I know  
unconditional love  
unconditional loveI aint looking for no diamonds  
and digging for no gold  
just somebody to love  
unconditional loveYou never see it coming  
and the next thing you know  
unconditional love  
unconditional loveI aint looking for no diamonds  
and digging for no gold  
just somebody to love  
unconditional love  
woahbe my baby  
my one and only  
te amo  
mi amor
