

# I Sit Away

## Boyz II Men

Who says the sea can't move in winter  
Or the clouds stand still in a storm  
Who says a man can't cry  
And be lonely  
Who says a man can't tend to be bored  
And if you could see inside my heart  
You would see loneliness  
And if I could show you my mind  
You would be depressed Said I sit away lonely  
And I get away only in my mind  
Said I sit away lonely  
And I get away sometimes So I'll gather my things  
And be on my way  
Into my lonely place  
Said I'm feelin' lonely and lonesome  
And I just need to get away  
And if you could know what I'm afraid of  
You would be frightened  
And if you could feel the pain that  
I'm feelin'  
Then you would know why, I Said I sit away lonely  
And I get away only in my mind  
Said I sit away lonely  
And I get away sometimes Sit away  
Said I get away  
Said I sit away  
Said I get away  
Why do I feel  
Like I will never be loved again  
There I go  
Back in my mood again  
Lonely, lonely Sit away  
Get away  
You know you know you know Said I sit away lonely  
And I get away only in my mind  
Said I sit away lonely  
And I get away sometimes Said I sit away lonely  
And I get away only in my mind  
Said I sit away lonely

And I get away sometimes Said I sit away lonely  
And I get away only in my mind  
Said I sit away lonely  
And I get away sometimes Said I sit away lonely  
And I get away only in my mind  
Said I sit away lonely  
And I get away sometimes Said I sit away lonely
