

# A Little Crazy

Nicole Atkins

Walking, spend a lot of time of walking  
That's what people do, getting over you  
Smiling, did you see me smiling  
the whole x just for you  
What asking I do People say I'm better off alone  
so i'm trying, trying, trying, oplease if you see me cry  
I apologize, I'm a little crazy, crazy, crazy Together, we'd always be together  
So you felt the same  
Funny how things change People say it takes a little time  
so i'm trying, trying, trying, oplease if you see me cry  
I apologize, I'm a little crazy, crazy, crazy  
I'm on my knees  
I'm on my knees  
I know you're over me  
And its driving me crazy, crazy, crazy People say I'm better off alone  
People say it takes a little time  
I can here the words those people say  
I know that I'm crazy, crazy, crazy Please If you change your mind  
I won't change mine  
Still i'm trying, trying, trying  
I'm on my knees  
I'm on my knees  
I know you're over me  
And its driving me crazy, crazy, crazy Walking, spend a lot of time of walking  
That's what people do, getting over you
