Bonita

Antonio Carlos Jobim

What can I say to you, Bonita
What magic words would capture you
Like a soft evasive mist you are, Bonita
You fly away when love is newWhat do you ask of me, Bonita
What part do you want me to play
Shall I be the clown for you, Bonita
I will be anything you say
Bonita, don't run away, BonitaBonita, don't be afraid to fall in love with me
I love you, I tell you, I love you, I love you, Bonita
If you love me, life would be beautiful, BonitaI love you, I tell you, I love you, I love you, Bonita
If you love me, life would be beautiful, Bonita
