

# (Forever) Live and Die

## O.M.D.; Orchestral Manoeuvres in the Dark

I never wanted another  
Come over to me and discover  
How I want to be near you  
And you need to be far away  
You always seem to make me feel at home  
Hey you

People like  
I never know, I never know, I never know why  
You make me wanna cry  
I never know, I never know, I never know why  
Forever live and die

I look at all of the people  
Doing it over and over  
You never get any older  
I wish that you could be here  
I look at you and I  
Make the same mistakes  
Hey you

People like  
I never know, I never know, I never know why  
You make me wanna cry  
I never know, I never know, I never know why  
Forever Live and Die

I never know, I never know, I never know why  
You make me wanna cry  
I never know, I never know, I never know why  
Forever Live and Die
