

Proud to Be

Smile Empty Soul

Here I am and with my big cock
So bend over, boy and take my best shot
All I wanna be is the boss of you
This cowboy hat makes me king
I thought that you knew That's why I'm proud to be
I'm so very proud to be
I'm so goddamn proud to be
I'm so fucking proud to be
An American right now I'm so glad, man, that we rule the world
That would suck if they told us what to do
Our country here is a shining pearl
In a world that's so unjust and cruel That's why I'm proud to be
I'm so very proud to be
I'm so goddamn proud to be
I'm so fucking proud to be
An American right now All my life I've dreamed of
Giving the finger to the rest of the world
Yeah, the rest of the world
When I sleep I dream of
Our bombs leveling the rest of the world
Yeah, the rest of the world That's why I'm proud to be
I'm so very proud to be
I'm so goddamn proud to be
I'm so fucking proud to be
An American right now
