Heaven On Earth

Boston

Once I thought life was easy
I thought love would be enough
Now I can't believe I'm on my own
I'm leaving on a jet plane
I waited in case you changed your mind
You're all I can see when I'm all alone
(Oo-oh)Heaven on Earth (couldn't we talk about it?)
I didn't know what to say
For what it's worth (I can't go on without you)
I never wanted to see you walk awayThe sky is dark and angry
But I don't feel the rain
It's all the same, I miss your touch (O-ooh)
I feel like running somewhere
But I can't loose the pain I feel
I'm so far away; I'm still in love
(Oo-oh)Heaven on Earth (I can not live without it)
I didn't know what to say
For what it's worth (Now I just dream about it)
I never wanted to see you walk awayHow are you looking for love? (How are you looking for love?) [X 2]
Are you even there?
I will come running from anywhere
Please say you want to give upThey tell me I'm no angel
But I've been waiting long enough
We made it so far I can't give up
(Ooo-oh)Heaven on Earth
I didn't know what to say
For what it's worth
I never wanted to see you walk away(Hey) Love should be enough. Hey!Heaven on Earth
It's so easy
Heaven on Earth (Oo-ooh)
