

In Human Form (live)

Death

People of the earth beware
It is here in human form
An atrocity laced with greed
Filled with evil intentions
Ready to attack Look to the air for stories
To choose, who will be your next victim
Profiting on visions of others
Dark emotions run through its veins
Its motives are false, its mind is insane A distant planet with no signs of life
To become a home for this alien breed
Scientists of the world unite
Your services are more than needed
This creature in human form is out of control Looks can be deceiving
See beyond the shell
Flesh and eyes mean nothing
The truth, time it will tell
