# Until Then (with Vince Gill)

## Ray Price

Maybe Some Day You'll Leave Me
And Tell Me That We're Through
And Then Some Day Just Walk Away
Beside Somebody NewThey Say Nothing Can Last Forever
Or Stay The Way It's Been
And That May Be But Stay With Me
And Love Me Until ThenUntil Then What Ever Will Be Will Be
Until Then Give Your Sweet Love To Me
And Don't Ever Leave Me
Till Stars Leave The Sky
Until Then Then You Can Tell Me GoodbyeUntil Then What Ever Will Be Will Be
Until Then Give Your Sweet Love To Me
And Don't Ever Leave Me
Till Stars Leave The Sky
Until Then Then You Can Tell Me Goodbye
