Another Day

Strange Talk

We'll find a way to make it right
If we wait till midnight
We'll find a way so hold on tight
Just for another day
Cause' you are the one
You are the one
Cause' you are the one
You are the oneThis fantasy will blow your mind
My hands are ties I feel so blind
Just close your eyes and make believe
Reality is killing meWith our backs against the wall
We'll chase the stars until we fall
We'll stay awake all through the night
And let's just see what we can find
We'll find a way to make it right
If we wait till midnight
We'll find a way so hold on tight
Just for another day
Cause' you are the one
You are the one
Cause' you are the one
You are the one
