

# End Of The Day (silence)

## Blue Foundation

Silence  
Stretching out between us  
I dream of a presence  
With essence  
And absence of doubt  
Come closer  
Come and stay with me now  
Help me reconcile  
Come and stay a while  
And I will find a home  
Because we love till the end  
We love till the end of the day  
Of the day  
Distant

Shifty-eyed and restless  
I dream of a presence  
With essence  
And absence of doubt  
Come closer  
Come and stay with me now  
Help me reconcile  
Come and stay a while  
And I will find a home  
Because we love till the end  
We love till the end of the day  
Of the day
