

# I Don't Have the Heart

Kyla

Your face is beaming  
You say it's cause you're dreaming  
Of how good it's going to be  
You say you've been around  
And now you've finally found  
Everything you wanted and needed in me

I don't have the heart to hurt you  
It's the last I want to do  
But I don't have the heart to love you  
Not the way you want me to

Inside I'm dying  
To see you crying  
How can I make you understand  
I care about you  
So much about you baby  
I'm trying to say this as gently as I can

Cause I don't have the heart to hurt you  
It's the last I want to do  
But I don't have the heart to love you  
Not the way you want me to

You're so trusting and open  
Hoping that love will start  
But I don't have the heart oh no  
I don't have the heart

I don't have the heart to hurt you  
It's the last I want to do  
But I don't have the heart to love you  
Not the way you want me to

I don't have the heart (Ooh...)  
(Baby I don't have the heart I don't have the heart)  
I don't have the heart (Ooh...)  
(Baby I don't have)

I don't have the heart

I donâ€™t have the heart

I donâ€™t have the heart
