When All Is Said And Done

Pierce Brosnan

Here's to us, one more toast and then we'll pay the bill
Deep inside both of us can feel the autumn chill
Birds of passage, you and me, we fly instinctively
When the summer's over and the dark clouds hide the sun
Neither you nor I'm to blame when all is said and done
In our lives we have walked some strange and lonely treks
Slightly worn but dignified and not too old for sex
We're still strivin' for the sky, no taste for humble pie
Thanks for all your generous love and thanks for all the fun

Neither you nor I'm to blame when all is said and done
It's so strange when you're down and lyin' on the floor
How you rise, shake your head, get up and ask for more
Clear-headed and open-eyed with nothin' left untried
Standin' calmly at the crossroads, no desire to run
There's no hurry any more when all is said and done
Standin' calmly at the crossroads, no desire to run
There's no hurry any more when all is said and done
