

# When All Is Said And Done

**Pierce Brosnan**

Here's to us, one more toast and then we'll pay the bill  
Deep inside both of us can feel the autumn chill  
Birds of passage, you and me, we fly instinctively  
When the summer's over and the dark clouds hide the sun  
Neither you nor I'm to blame when all is said and done  
In our lives we have walked some strange and lonely treks  
Slightly worn but dignified and not too old for sex  
We're still strivin' for the sky, no taste for humble pie  
Thanks for all your generous love and thanks for all the fun

Neither you nor I'm to blame when all is said and done  
It's so strange when you're down and lyin' on the floor  
How you rise, shake your head, get up and ask for more  
Clear-headed and open-eyed with nothin' left untried  
Standin' calmly at the crossroads, no desire to run  
There's no hurry any more when all is said and done  
Standin' calmly at the crossroads, no desire to run  
There's no hurry any more when all is said and done
