Material Girl

Hilary Duff & Haylie Duff

Some boys kiss me, some boys hug me
I think they're okay
If they don't give me proper credit
I just walk away
They can beg and they can plead
But they can't see the light, they can?t see the light
'Cause the boy with the cold hard cash
Is always Mister Right
'Cause we are living in a material world
And I am a material girl
You know that we are living in a material world
And I am a material girl
Some boys romance, some boys slow dance
That's all right with me, that?s all right with me
If they can't raise my interest then I
Have to let them be
Some boys try and some boys lie but
I don't let them play
Only boys that save their pennies
Make my rainy day
'Cause we are living in a material world

And I am a material girl
You know that we are living in a material world
And I am a material girl
Living in a material world
And I am a material girl
You know that we are living in a material world
And I am a material girl
Living in a material world
(Material)
Living in a material world
Living in a material world
(Material)
Living in a material world
Boys may come and boys may go
And that's all right you see
Experience has made me rich
And now they're after me

'Cause everybody's living in a material world
And I am a material girl
You know that we are living in a material world
And I am a material girl
