

Love Me Crazy

AJ McLean

I was walking down the street
With my guitar
You pulled up next to me
In your fancy car
She said take me to the place
Where your horses run free
Baby if you know how to ride
You can ride me Said if you wanna rock it
Got a condom in my pocket
She said baby you're the key
So come and unlock it It's just that easy
Just to please me (Chorus) So let's go baby
You and me naked
We can do it all night
Love is crazy
Let's go crazy
We can do it all night
We can do it all night
Believe me girl Barely made it down the street I didn't get far
It doesn't matter where I go there you are
See this sexy fella dressed in black and red
Girl you're so fucking cool in your shades that you wear yeah It's just that easy
Just to please me (Chorus) So let's go baby
You and me naked
We can do it all night
Love is crazy
Let's go crazy
We can do it all night
We can do it all night
Believe me girl Oh my goodness
Oh my gracious
Take me home down to the basement
On the floor, on the pavement
Wake the neighbors
Let's make a statement
Let 'em watch, let 'em stare
Put your legs up in the air
Smack that ass and pull your hair
Take a picture, I don't care

You play checkers, I'll play chess
Then we'll see who moves the best
You're the teacher, I'm the pet
Shut up, let's have sex We can do it all night
Believe me, believe me, believe me girl
We can do it all night (Chorus) So let's go baby
You and me naked
We can do it all night
Love is crazy
Let's go crazy
We can do it all night
We can do it all night
