Forever Love

Blanca

Your love is a dream
My heartâ€™s skip skippinâ€™
Got me straight trippinâ€™
And Iâ€™m endlessly fallinâ€™ for you

With you next to me
We stay fly like a rocket
Canâ€™t nobody top it

â€˜Cause you know you got your game on fleek
Got me weak, SWV

You donâ€™t even need a key to my heart
With that ring, boy, you got it on lock
And you hold me down
I know that Iâ€™ve found
My always and

Forever ever love
Iâ€™ll never give ya up
Yeah, you gonâ€™ be the one
Forever ever I
Stay with ya, ride or die
Yeah, you gonâ€™ be the one
Forever ever love

Yeah, we keep it real
Chinese take-out, Netflix and hang out
Donâ€™t need too much, just need you

You text my phone, my pulse starts pumpinâ€™
Straight from zero to one hundred

â€˜Cause you know you got your game on fleek
Got me weak, SWV

You donâ€™t even need a key to my heart
With that ring, boy, you got it on lock
And you hold me down
I know that Iâ€™ve found

My always and

You know youâ€™re in my heart
Ten thousand miles apart
Baby, youâ€™re the one
When lifeâ€™s a roller coaster
Iâ€™ll be the one to hold ya
You are my forever ever love

Yeah, he put that ring on it
Yeah, he put that bling on it
Got a forever thing goinâ€™, goinâ€™, goinâ€™
My always and
