

I Know I'm Going There

Kingdom Heirs

Jesus said to his disciples, I will go prepare a place
A land of many mansions where we'll spend eternal days
Then He ascended to the land He'd promise to prepare
Well I am so excited cause I know I'm agoing there

Chorus

(Now you) you may want to call it Heaven
(Beautiful) beautiful country of Canaan
(Place) place where the Saints will be living
A Land so fair
(Sweet) sweet sweet precious land of Beulah
(Home) home of the holy Hallelujah
I'm happy now that I can tell ya
I know I'm agoing there

I had made my reservation for that city long ago
There at an old time altar where the Saviour saved my soul
If I should die tomorrow or I'll meet him in the air
I know that I am ready cause I know I'm agoing there

ENDING

I'm happy now that I can tell ya
I know I'm agoing there
