

# Cherish

## Madonna

Cherish, cherish  
So tired of broken hearts  
And losin' at this game before I start  
This dance I'll take a chance in telling you  
I want more than just romance  
You are my destiny  
I can't let go baby, can't you see?  
Cupid, please take your aim at me  
Cherish the thought  
Of always having you here by my side  
Oh baby, I cherish the joy  
You keep bringing it into my life  
I'm always singing it  
Cherish the strength  
You got the power to make me feel good  
Oh baby, I cherish the thought  
Of ever leaving, I never would  
I was never satisfied  
With casual encounters, I can't hide  
My need for two hearts that bleed  
With burning love that's the way it's got to be  
Romeo and Juliet  
They never felt this way I bet  
So don't underestimate my point of view  
I cherish the thought  
Of always having you here by my side  
Oh baby, I cherish the joy  
You keep bringing it into my life  
I'm always singing it  
Cherish the strength  
You got the power to make me feel good  
Oh baby, I cherish the thought  
Of ever leaving, I never would  
Who? You  
Can't get away, I won't let you  
Who? You  
I could never forget to  
Cherish is the word  
I used to remind me of your love

Keep giving it, keep giving it to me  
Boy, keep giving me all, all of your joy  
Give me faith, I will always cherish you

Romeo and Juliet

They never felt this way, I bet  
So don't underestimate my point of view

I cherish the thought  
Of always having you here by my side  
Oh baby, I cherish the joy

You keep bringing it into my life

I'm always singing it

Cherish the strength

You got the power to make me feel good

Oh baby, I cherish the thought

Of ever leaving, I never would

Cherish

Give me faith, give me joy

My boy, I will always cherish you

Cherish your strength

Keep giving it, keep giving it to me

Boy, keep giving me all, all of your joy

Cherish the love

Give me faith, give me joy

My boy, I will always cherish you
