We Belong Together

Randy Newman

Don't you turn your back on me
Don't you walk away
Don't you tell me that I don't care
'Cause I doDon't you tell me, I'm not the one
Don't you tell me, I ain't no fun
Just tell me you love me like I love you
You know you doWhen we're together
Clear skies are clearer
And I'd share them
They way I'm less depressedAnd sincerely
From the bottom of my heart
I just can't take it
When we're apartWe belong together
We belong together
Yes, we do
You'll be mine, foreverWe belong together
We belong together
You know, it's true
It's gonna stay this way, forever
Me and youIf I could really talk to you
If I could find a way
I'm not shy, there's a whole lot I wanna say
Of course, there isTalk about friendship and loyal things
Talk about how much you mean to me
And I'll promise to always be by your side
Whenever you need meThe day I met you
Was the luckiest day of my, day of my life
And I bet you feel the same
At least I hope you doSo don't forget
If the future should take you away
That you'll always be part of meWe belong together
We belong together
Wait and see
It's gonna be this way foreverWe belong together
We belong together honestly
We'll go on this way forever
Me and you, you and me
