Phantom Flower

Step Rockets

We rush through our lives
It's a dead run
One puff of smoke and then we're gone
Like a phantom, like a phantomLike a flash before our eyes
The sun sets on everyone
There's nothing we can do, we come undone
Like a phantom, we're all phantoms
Everybody feel it with meEnergy, you and me, we'll always be
Pure energy
We'll always be, energy
It could come on with a snake bite
Or a car crash on the run
There's nothing we can do, we come undone
Like a phantom, like a phantom
Everybody, everybodyI don't know where I'm going
I don't know where to stay
I don't know where I'm going
We all disappear someday
I don't know where I'm going
This is a passion play
The phantom power's flowing
We all turn to energyEnergy, you and me, we'll always be
Pure energy
We'll always be, energy
Energy, you and me, we'll always be
Pure energy
We'll always be, energyI don't know where I'm going
I don't know where to stay
I don't know where I'm going
We all disappear someday
I don't know where I'm going
This is a passion play
The phantom power's flowing
We all turn to energyEnergy, you and me, we'll always be
Pure energy
We'll always be, energyEnergy, you and me, we'll always be
Energy
We'll always be, energy
