

Make Some Noise (Chris Cox Remix)

Miley Cyrus

It's easy to feel like you're all alone
To feel like nobody knows
The great that you are, the good that's inside you
Is trying so hard to break through Maybe it's your time to lift off and fly
You won't know if you never try
I will be there with you all of the way
You'll be fine Don't let anyone tell you
That you're not strong enough
Don't give up
There's nothing wrong
With just being yourself
That's more than enough
So come on and raise your voice
Speak your mind and make some noise
And sing - Hey! Hey!
Make some noise - Hey! Hey yeah! You want to be known
You want to be heard
And know you are beautiful
You have so much to give
Some change you wanna live
So shout it out and let it show You have a diamond inside of your heart
A light that shines bright as the stars
Don't be afraid to be all that you are
You'll be fine
Don't let anyone tell you
That you're not strong enough
Don't give up
There's nothing wrong
With just being yourself
That's more than enough So come on and raise your voice
Speak your mind and make some noise
And sing - Hey! Hey!
Make some noise - Hey! Hey yeah! You can't just sit back and watch the world change
It matters what you've got to say
There's no one else who can stand in your place
So come on it's never too late Maybe it's your time to lift off and fly
You won't know if you never try Don't let anyone tell you
That you're not strong enough
Don't give up

There's nothing wrong
With just being yourself
That's more than enough
So come on and raise your voice
Speak your mind and make some noise
And sing - Hey! Hey!
Make some noise - Hey! Hey yeah!
Hey! Hey! Make some noise
Speak your mind and make some noise
And sing hey yeah, hey yeah, hey yeah
Make some noise
Hey yeah, hey yeah, hey yeah
Make some noise
Hey yeah, hey yeah, hey yeah
Make some noise
Hey yeah, hey yeah, hey yeah
Make some noise
