

Live in this City (Matt Nash & Dave Silcox Remix)

Dragonette

Missing half the song. I started it up
Turned it over like a General Motor
It comes down heavy 'cause I dropped it
Like a tomahawk choppah I gotta keep on doing what I'm doing
'Cause we clapping our hands now
Yeah I found my lipstick that I like
And so I'm walkin' it downtown
Downtown! [Chorus]
I only live in this city, live in the city
I only live in this city, live in the city
I like to keep the place busy and I do it for free
'Cause this city can't live without me
Can't live without Me and my gang, and some blind bandits (?)
We wind it up around the summer, roll it over to Can'da
Just so you know that queer with the face that you call my little pony
We basically invented this place
That's why it's only standing room only
Standing room only! [Chorus] Kings of the indie rockers
Top of the toilet choppers
Riots and rabble-rousers
High-rollers, phantom powers
(You can't live without) Kings of the indie rockers
(You can't live without)
Top of the toilet choppers
(You can't live without)
Riots and rabble-rousers
(You can't live without)
High-rollers, phantom powers
(You can't live without) Kings of the indie rockers
(Kings of the indie rockers)
Top of the toilet choppers
(Top of the toilet choppers)
Riots and rabble-rousers
(Riots and rabble-rousers)
High-rollers, phantom powers I only live in this city, live in the city I only live in this city, live in the city
I only keep the place busy, keep on workin' for free
'Cause this city can't live without me
Yeah I only live in this city, live in the ci-ty (x2)
I only keep the place busy, keep on workin' for free

'Cause this city can't live without me
Can't live without me
Yeah I only live in this city cause' the city can't live without me
