I and I Rasta (Darryl Jenifer Dub Remix)

Bad Brains

When they go wrong, go the other way
Don't follow Babylon, Jah will lead the way
When they call you a liar and a thief
Well don't you worry now, remember judgement day
And don't you be no batty boy, and don't you be no fool
'Cause I and I a Rasta
I and I a Rasta, uhuh
The children of our Lord have a new insight
And in this generation, the gospel is alive
I and I are Rasta
I-ternally
And we be praising Rastafari
continually
And don't you be no batty boy, and don't you be no fool
'Cause I and I a Rasta
I and I a Rasta, uhuh
