

# Do You Remember

## Buried Alive

I cant belive, whats become of me  
Not the way i want to be  
I told myself i would never do that  
I warned myself i was headed for this  
And sometimes i want to end it all.  
I can't pretend as i watch it die I remember what this used to be  
Do you remember what this means  
This is dragging me down: I'm falling far  
Before my eyes, i watch it fall apart This falls apart.  
I cant beleive whats come of me
