

Baby Talk

The dB's

Baby talk
Don't wanna hear that baby talk
I don't go for that baby talk
Don't wanna hear that baby talk
I'm not impressed by that kind of talk, talk
Baby talk
Baby talk

Na-na-na...
I'm not impressed by kind of talk, talk
Baby talk
Baby talk

Baby talk
Don't wanna hear that baby talk
I don't go for that baby talk
Don't wanna hear that baby talk
I'm not impressed by that kind of talk, talk
Baby talk
Baby talk, -by talk
