Somber

Scott Stapp

Can you see what lies beneath
Everything we are and used to be is buried and gone
Silent screams I cant ignore
Violent scenes are getting old
Refraction only breaks our own
Deception tears me to the core
Somber why stay in denile
I'm somber so somber
Goodbye on no sympathy
Oh we both took everything left inside
I'm somber
Goodbye with no sympathy
We both took everything left inside
Say goodbye I'm somber
In your joy I'm suffering
I'll be damned a slow suicide a life I chose to lead
Silent screams I can't ignore
Violent scenes are getting old
Refraction only breaks our own
Deception tears me to the core

Somber why stay in denile
Somber
Goodbye on no sympathy
Oh we both took everything left inside
Say your mine
I'm somber to somber
Goodbye with no sympathy
And me we both took everything left inside
Say goodbye
You're somber, I'm somber
Say goodbye
So somber, so somber now
Silent screams I cant ignore
Violent scenes are getting old
Goodbye on no sympathy
And me we both took everything left inside oh
You and me we both took everything
I'm somber, I'm somber

Why stay in denile
I'm somber
