

Whistle Down the Wind

[Sarah Brightman](#)

Whistle down the wind
Let your voices carry
Drown out all the rain
Light a patch of darkness
Treacherous and scaryHowl at the stars
Whisper when you're sleepy
I'll be there to hold you
I'll be there to stop
The chills and all the weepingMake it clear and strong
So the whole night long
Every signal that you send
Until the very end
I will not abandon you my precious friendSo try and stand the tide
Then you'll raise a banner
Send a flare up in the sky
Try to burn a torch
And try to build a bonfireEvery signal that you send
Until the very end, I'm there
So whistle down the wind
For I have always been, right thereHowl at the stars
Whisper when you're sleepy
I'll be there to hold you
I'll be there to stop
The chills and all the weepingMake it clear and strong
So the whole night long
Every signal that you send
Until the very end
I will not abandon you my precious friendSo Whistle down the wind
Let your voices carry
Drown out all the rain
Light a patch of darkness
Treacherous and scaryEvery signal that you send
Until the very end, I'm there
So whistle down the wind
For I have always been, right there
