

# Satellites (Electro Mix Short)

September

Even an angel can end up falling  
Don't you cry because you're crawling  
Start again, it's a beautiful morning for satellites Well, they said it was time for changing  
Rise and shine, everybody's making it but you  
And they told you to trust your dreaming  
But it's hard to believe a feeling that you just don't know Even an angel can end up falling  
Don't you cry because you're crawling  
Start again, it's a beautiful morning for satellites Even an angel can end up falling  
Don't you cry because you're crawling  
Start again, it's a beautiful morning for satellites You've been trying to walk on water  
In the end everybody walked all over you  
Now, you don't like the sight of mirrors  
'Cause you're scared that the face you'll see  
Will look just like before Even an angel can end up falling  
Don't you cry because you're crawling  
Start again, it's a beautiful morning for satellites Even an angel can end up falling  
Don't you cry because you're crawling  
Start again, it's a beautiful morning for satellites All I want is you  
Let me take you back where you once belonged  
All I want is you  
It will be alright if you come along, you were never gone Even an angel can end up falling  
Don't you cry because you're crawling  
Start again, it's a beautiful morning for satellites Even an angel can end up falling  
Don't you cry because you're crawling  
Start again, it's a beautiful morning for satellites Even an angel can end up falling  
Don't you cry because you're crawling  
Start again, it's a beautiful morning for satellites, satellites
