

Country Is

Tom T. Hall

Country is sittin' on the back porch
Listen to the whippoorwills late in the day
And country is mindin' your business
Helpin' a stranger if he comes your wayCountry is livin' in the city
Knowin' your people, knowin' your kind
Country is what you make it
Country is all in your mindCountry is workin' for a living
Thinkin' your own thoughts, lovin' your town
Country is teachin' your children
Find out what's right and stand your groundAnd country is a havin' the good time
Listen to the music singing your part
Country is walkin' in the moonlight
Country is all in your heart
