

# Skankin

## Sublime With Rome

Skankin' to the beat is an alright feelin'  
Skankin' to the beat got my toe jams peelin'  
Skankin' to the beat got the rude girls squeelin'  
I'm just skankin' to the beatDancin', I'm dancin' to the Rastafarian up beat  
Hangin' with my rude ska brothers in the street  
Our brother over here say, "turn up the box A"  
Dancin' and dance could rock us all the day longIt'll knock your sock off  
Sayin' there's no brother Fishbone  
So, get up off your seats and let's skank to beat  
Said Fishbone brothers, let's skank to the beatSkankin' to the beat is an alright feelin'  
Skankin' to the beat got my toe jams peelin'  
Skankin' to the beat got the rude girls squeelin'  
I'm just skankin' to the beatSkankin' through hard times, slim with the good  
I said all this kickin' doesn't make it feel real good  
I don't know what's up, now grindin' like it should  
All they wanna do is turn on that reggae beat  
All they wanna do is skank to the beat, skankin'  
All they wanna do is skank on the streetSkankin' to the beat is an alright feelin'  
Skankin' to the beat got my toe jams peelin'  
Skankin' to the beat got the rude girls squeelin'  
I'm just skankin' to the beatLet's slow down the pace for the human race  
Said let's low down the pace for heaven's sake  
Let's slow down the music to drum 'n' bass  
Let's slow down the pace and make it alrightNow, it's my time to say what I got to say  
Now, it's my time to just skank my way  
I said you skankin' to the east, you skankin' the west  
I'm skankin' with my rude girl with the big breastOh, east or west, I love to skank  
Oh, east or west, said I love to skank  
Oh, ? and I love to skank  
Oh, ? said I love to skankSkankin' to the beat is an alright feelin'  
Skankin' to the beat got my toe jams peelin'  
Skankin' to the beat got the rude girls squeelin'  
I'm just skankin' to the beatSkankin' to the beat is an alright feelin'  
Skankin' to the beat got my toe jams peelin'  
Skankin' to the beat got the rude girls squeelin'  
I'm just skankin' to the beat
