

California

Mates of State

We've been on the run, driving in the sun
Looking out for number one
California here we come
Right back where we started from Hustlers grab your guns, your shadow weighs a ton
Driving down the 101
California here we come
Right back where we started from California
Here we come On the stereo, listen as we go
Nothing's gonna stop me now
California here we come
Right back where we started from Pedal to the floor, thinkin' of the roar
Gotta get us to the shore
California here we come
Right back where we started from California
Here we come
California
Here we come
