

Can't Get Enough

Basenji

I can't get enough of you
I'm falling into this again
I can't get a hold on you
I'm falling into this again Ooh la la (ooh la la)
Na na na na na
Ooh la la (ooh la la)
Na na na na na
Ooh la la (ooh la la)
Na na na na na
Ooh la la (ooh la la)
Na na na na na Ooh wanna keep a hold on my heart
Ooh falling in and out of love
Ooh wanna keep a hold on my heart
Ooh falling in and out of love
Ooh wanna keep a hold on my heart
Ooh falling in and out of love
Ooh wanna keep a hold on my heart
Ooh falling in and out of love I can't get enough of you
I'm falling into this again
I can't get a hold on you
I'm falling into this again (again, again, again, again)
