Human Kind

Alex Pusher

I'll leave humankind behind somehow
I'll leave everything to time somehow, somehowI can't believe you hear me screamin'
Ooh, you don't know how did I get to here
And even though I'm barely breathing
Ooh, you should know dont need this atmosphereI'll leave humankind behind somehow
I'll leave everything to time somehow, somehowI wanna leave it all behind
Leave it all behind
Leave it all behind
Leave this all behindThere's no defeat my heart is bleeding
Can't stand this downside
And though your love should be redeeming
I'm not sure, if we can make it rightI'll leave humankind behind somehow
I'll leave everything to time somehow, somehowLeave I tall behind
Leave it all behindI wanna leave it all behind
Leave it all behind
Leave it all behind
Leave this all behindLeave, I wanna leave
I wanna leave this all behind
Leave, I wanna leave
I wanna leave this all behindLeave, leave
Leave this all behind
Leave, I wanna leave
I wanna leave this all behind
