

In Remembrance

Therion

Draconian age, Typhonic dream
Nuit lead the qliphotic stream
The depths in mind where visions dwell
Projections of an open shell
Into memories from a prior supreme darker age
Thy fallen thou shall rise
Into aeons of the dark supreme
A ride on the qliphotic stream
Demonic queen, the whore of Babylon
The one who ride To Mega Therion

Songwriters

MELLBERG, JONAS ANDERS / JOHNSON, CHRISTOFER JAN
