

# Going Home

Patrick Cowley

Going home  
Leave your troubles far behind  
Going home  
Far beyond all space and time  
We're on a journey to parts unknown  
We're gonna take you along  
Going home  
Come on I wanna take you home

Going home  
Leave your troubles far behind  
Going home  
Far beyond all space and time  
We're on a journey to parts unknown  
We're gonna take you along  
Going home  
Come on I wanna take you home
